

Making My Home the Safest Place on Earth

- **Does my home provide safety, security and love for me and my family?**
- **Am I too worried about controlling my home, keeping it clean and making things the way I want them?**
- **Do I have fits of rage or anger that make others feel unsafe?**
- **Am I welcoming when my family comes home or loved ones come to visit?**
- **Is it evident that God lives in my home?**
